

Company Profile

Flurida Group was founded in Chicago in 1997. It was listed on the Nasdaq in 2009, under stock symbol FLUG. Currently there are 8 subsidiary companies, 3 factories and 2 R&D centers around the world. The headquarters is located in Los Angeles. The company is committed to providing world-class home appliances with a complete set of Integrated solutions. Meanwhile, the company independently researched and developed new environmental protection and energy saving electrical appliances. Our vision is to improve the quality of daily air, water, ice, and to improve people's quality of life, building Flurida into a well known international brand.

Flurida Group has two main businesses:

I Flurida's parts business divisions main products are:

1. Refrigerators built-in automatic ice maker and dispenser systems
2. Motors
3. Wire harnesses for home appliances and vehicles
4. Injection molding, sheet metal fabrication and tooling

Our company provides one-stop service for the world 500 strong enterprises, which include design, validation, manufacturing and shipping of above products.

II Flurida's finished products business divisions main products are:

1. Multi-functional ice water dispenser machines
2. Water filters
3. Air purifiers
4. Commercial and household ice makers
5. Kitchen and hotel appliances
6. GPS and LED products

公司简介

富达集团于1997年在美国芝加哥成立，2009年在美国纳斯达克上市，股票代码FLUG。集团目前在全球有八家子公司，三座工厂，两个研发中心。富达集团致力于为世界一流家电企业提供配套解决方案，同时生产和销售自主研发的新型环保节能家电产品，以改善日常空气、水、冰的质量，提升人们的生活品质作为愿景，树立富达品牌形象，打造百年企业。

富达集团有两大主营业务：

一、富达零部件事业本部主要产品：

- 1、冰箱内置式全自动制冰机和出冰系统
- 2、电机类产品
- 3、家电及汽车的线束
- 4、塑料件、钣金件、模具产品

公司主要为世界著名500强企业提供上述产品从设计、验证到制造、供货的一条龙服务。

二、富达集团成品事业本部主要产品：

- 1、多功能冰水机，制冰出冰产品
- 2、净水机及水过滤器产品
- 3、空气过滤产品
- 4、商用和家用制冰产品
- 5、厨房电器、酒店餐厅电器产品
- 6、GPS通信及LED显示产品

发展历程 History DEVELOPMENT

- 1997年 美国富达公司成立。现总部位于美国洛杉矶
- 1998年 富达工业（香港）有限公司成立
- 1999年 获得美国GE、TI、意大利 Bitron、ITW、瑞士MES等世界著名公司中国独家代理销售权
- 2001年 同意大利毕勤(Bitron) 在青岛建立合资公司
- 2004年 在中国青岛建成中国第一家全资工厂富必达机械电子有限公司
- 2005年 5月, 同美国中南集团 (MSI)在中国青岛建立合资公司;
9月, 同意大利CEBI 在上海成立合资工厂
- 2006年 收购美国中南集团(MSI)股份, 全资拥有中南富瑞机械电子有限公司
- 2008年 富达滁州工业园破土动工
- 2009年 美国富达集团成功在纳斯达克创业板上市, 股票代码FLUG
- 2010年 在洛杉矶成立研发中心
- 2013年6月 富达全椒工业园破土动工
- 2014年3月 同美国PROCON 成立上海富椒合资公司, 开发和销售GPS 导航设备
- 2014年6月 成品事业部成立, 主要研发冰水机及厨房电器产品

- 1997 Flurida Group Inc. is founded, headquartered in Chicago
- 1998 Flurida Industrial (Hongkong) is founded
- 1999 Becomes Exclusive agency for world class companies GE TI Bitron MES, ITW,etc.
- 2001 Established joint venture company with Bitron in Qingdao
- 2004 Established first fully owned factory: Qingdao Fubida mechanical electric Co. Ltd.
- 2005 May Established joint venture with US company MSI in Qingdao.
- 2005 Sept. Established joint venture in Shanghai with Italian company CEBI.
- 2006 Acquired shares from MSI to fully own Zhongnan Furui mechanical electric Co.,Ltd.
- 2008 Broke Ground on Flurida Chuzhou Industrial Park
- 2009 Permitted by SEC, Flurida was listed on Nasdaq on 5th Feb(FLUG)
- 2010 Set up R&D center in Los Angeles
- 2014 Mar. Established joint venture company with PROCON to develop and sell GPS navigation equipment
- 2014 Jun. Set up finished product business division, to research and develop ice water dispensers and kitchen appliances

企业荣誉 Enterprise Honors

历史属于过去，未来我们将更加努力！

History belongs to the past, we will strive to create a brighter future!

企业文化 Company Culture

诚信、创新、敬业、发展

Integrity, Innovation, Commitment, Growth

专业创造价值，客户利益为上

Specialists create value. Customers come first.

使命：富达集团将矢志不移地立足机电领域，以制冰出冰系统为核心产品，致力于为世界一流家电企业提供配套解决方案；生产和销售自主研发的新型环保节能家电产品，将富达打造为国际知名品牌，使富达品牌形象深入人心。

愿景：改善日常空气、水、冰的质量，提升人们的生活品质。

核心价值观：客户第一，员工第二，股东第三。

Mission: Flurida Group will unwaveringly focus on the mechanical and electrical fields and the IWD systems as the core products. We are committed to providing world-class products and solutions for the home appliance market. Our investment in independent research and development of new environmental protection and energy-saving appliances will build Flurida into an international well-known brand.

Vision: To improve the quality of air, water and ice as well as people's quality of life.

Core values: Customer come first, next is employees, followed by shareholders.

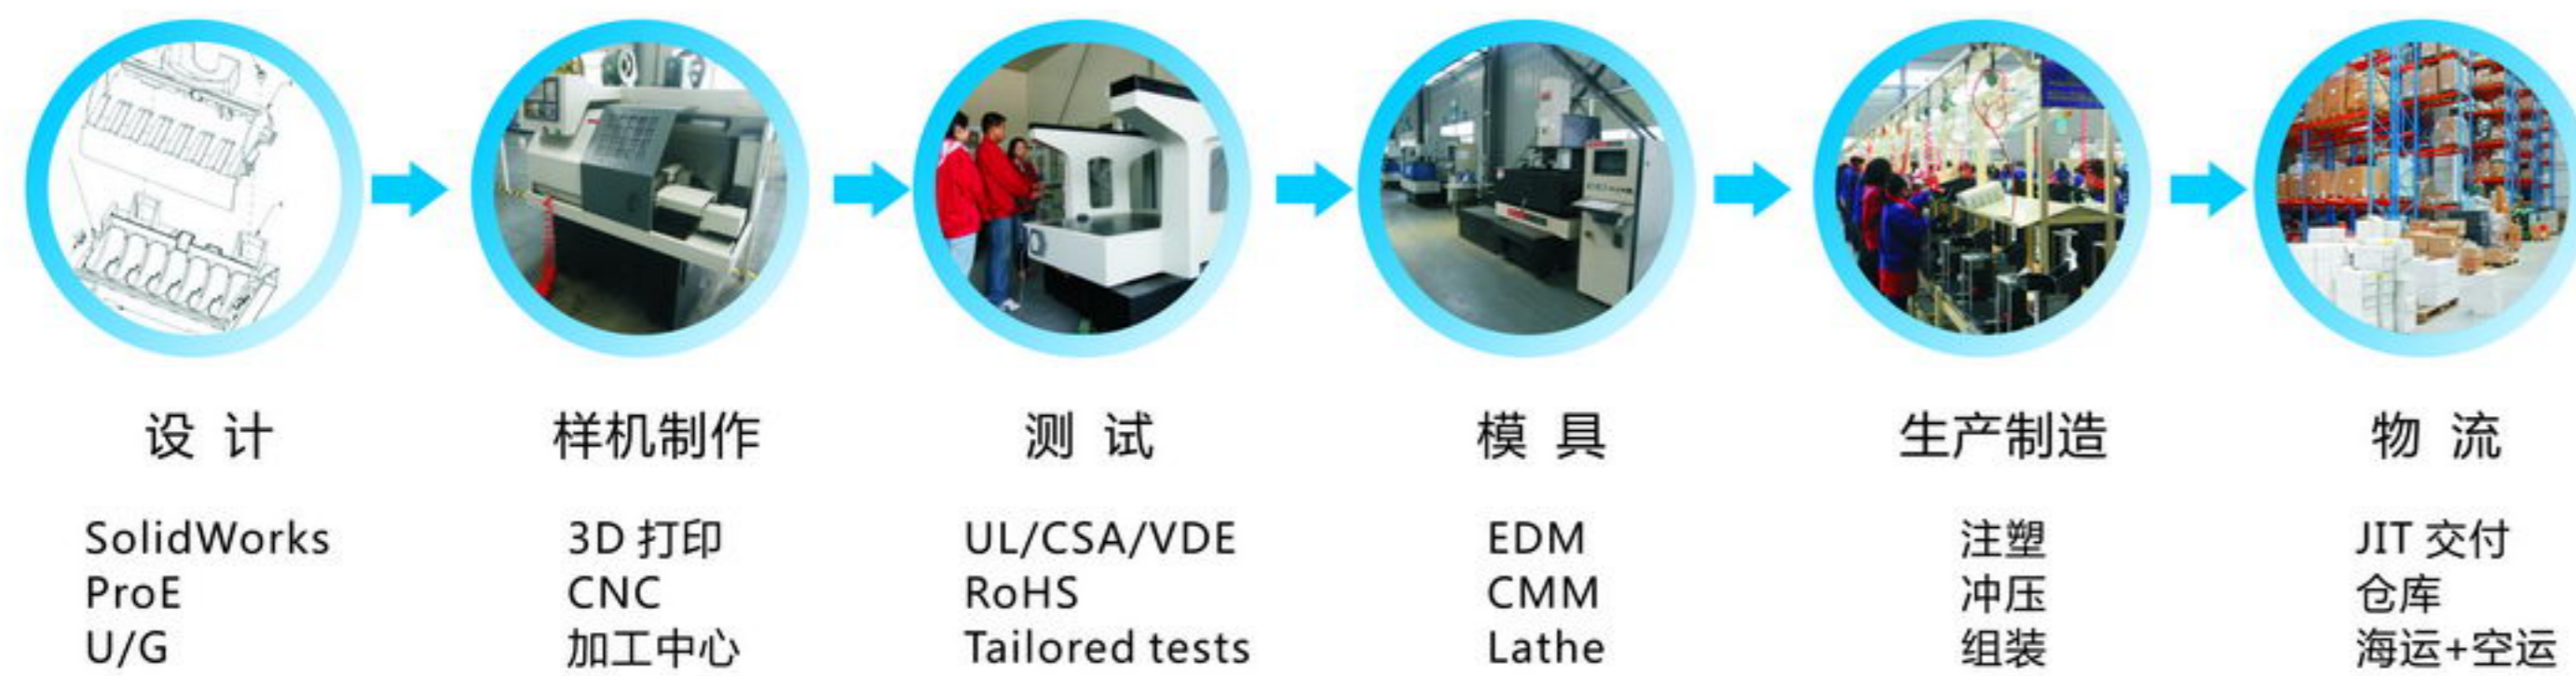

丰富多彩的员工活动，凝聚着富达人的创意和激情。

A rich and challenging work environment facilitates the creativity and passion of the Flurida staff.

系统化、模块化解决方案 Modular Systems Solutions

- 将用户需求转换为技术解决方案
 - 全职资深工程师研发团队
 - 专业化工程、模具、注塑、五金冲压等
 - 一流的质量控制、成本控制、物流控制能力
 - 创造世界先进技术水平的系统化、模块化产品
- Turning customer needs into technical solutions
 - Full-time experienced engineers
 - Expertise in engineering, tooling, plastic injection molding, and metal stamping
 - Highly advanced quality control systems, cost control, logistics control
 - Creating world class advanced technology modular systematic products.

零部件产品 Part Products

富达集团开发、制造并销售多种家电配套产品，为客户提供系统化、模块化解决方案，包括：

Flurida Group develops, manufactures and sells a variety of home appliance products, providing customers with turnkey solutions , including:

- 制冰出冰系统 Ice Making and Dispenser Systems
- 电机 Motors
- 线束 Wire Harnesses
- 塑料件和钣金件产品 Plastic & Stamping parts
- 模具产品 Tooling

电机类产品 Motor Products

富达集团致力于节能高效及新型直流电机等产品的研发、生产和销售，拥有罩级电机、碎冰电机、BLDC电机等系列，百余种型号的电动机产品，电机品质卓越。公司具有独立自主研发能力，获得多项专利，起草并通过罩级异步电动机的企业标准。2014年电机项目总投资约5000万人民币，电机类产品年产量1000万台，预计2015年产量将达1500万台。富达电机已获得UL、VDE、CE、CCC、TUV等多项认证，产品出口美洲、欧洲、澳大利亚、中东等国家和地区。

Flurida group is committed to product development, production and sales for energy efficient and DC motors. We currently produce several motor series including shaded pole motors, BLDC motors, crushed ice motors, etc. With excellent quality. The company has independent R & D ability and a number of motor product patents. Flurida drafted the enterprise standard for shaded pole asynchronous motors. In 2014, the company invested 50 million RMB on motor projects, with annual output of motor production reaching 10 million units. Forecasted output is expected to reach 15 million units in 2015. All the motor products are UL, VDE, CE, CCC, TUV certified. The motors are exported to the Americas, Europe, Australia, and the Middle East.
